

# Connexion

is the student council for Wesley that coordinates five main areas of the ministry. Students make themselves available to serve for a semester or year as a coordinator. The student's responsibility as a coordinator is to invite students to serve their team to accomplish that area's objective.

A student makes him or herself available to serve a particular area on Connexion. The five main areas of Connexion are Connexion Coordinator, Discipleship Coordinator, Ember Missions Coordinator, Ignite worship Coordinator, Fellowship Coordinator, and Outreach Coordinator. Through the affirmation process, the community affirms individuals that have made themselves available.
